

Checklist for Gentleman Drivers

Here is a checklist to ensure that nothing has been forgotten and nothing stands in the way of driving pleasure .

Please check the following before arriving at our event:

Tire tread depth at least 4 mm

Tire pressure OK?

Brake pad thickness sufficient?

Brake discs warped or worn?

Wheel bolts tightened?

Coolant within normal range?

Engine oil filled to maximum?

Windscreen washer fluid full?

Age of brake fluid? It should not be more than 3 years old.

If necessary, change it again, as brake fluid ages.

Remove loose objects from the vehicle.

Helmet packed? Helmets are MANDATORY at our events.

Observe the DB limit for the respective race track.

Driving under the influence of alcohol or drugs is PROHIBITED.

Thank you very much,
Your Gentlemen on Track Team.
